These messages will go directly to the person selected and will be followed up on as soon as possible!

WE ARE HERE TO HELP!

Parent/ Family Need Assessment:

At FCMS our goal is to support your child's academic, career, and social/emotional growth this year. The School Counselor will address each of those growth areas in classroom and school-wide activities. In addition, individual and small group counseling will address these areas more specific to the individual needs of students. Thank you for taking the time to complete this survey to best prepare our department to serve you and your students.

Thank you,

Chelsea Wilson, MAEd.
