### **SCHOOL CHECK IN/CHECK OUT PROCEDURE**

Students arriving late must check in at the high school office and get an admit slip. Students arriving during a class change must check in before going to class. **Students cannot check out from the Four Rivers Career Academy;** they may only check out from the Fulton County High School main office. A stamp in the student's agenda will be shown to each teacher for the classes missed.

Prior to checking out, the student's parent/guardian must talk to the principal or secretary. **NOTES WILL NOT BE ACCEPTED!** Requests to leave school before 3:00 P.M. should be made prior to the beginning of the 1<sup>st</sup> class of the day. Leaving school grounds without an authorized check-out will result in assignment of I.S.S. and/or other appropriate disciplinary actions, including suspension from school.

**TARDY TO SCHOOL POLICY** [applies to 1st period or when a student checks in for school after the 1<sup>st</sup> bell]

Promptness to school is important. Students will receive a detention when they receive their 3<sup>rd</sup> – 6<sup>th</sup> unexcused morning tardy. After the fifth unexcused tardy, tardiness will be considered a flagrant violation of school policy. When a student has accumulated *7 unexcused morning tardies*, the student will be placed in ISS. ISS placement will occur from the 7<sup>th</sup> tardy to school onward.

### **TARDY TO CLASS (2<sup>nd</sup>-7<sup>th</sup> periods)**

A student is tardy if he/she isn't in his/her seat and ready to proceed with the designated activity in the classroom when the tardy bell sounds. Teachers close their doors when the final bell sounds. Students who are late will be "swept" by teachers at the beginning of each class. Being "swept" means that students who are late will have their names and the class period for which they are late recorded on a master list which is turned into the office. Students will be walked to class by the teacher who is sweeping. On the 4<sup>th</sup> - 6<sup>th</sup> cumulative tardy to class, students will receive a detention. On the 7<sup>th</sup> cumulative tardy to class, students will be placed in ISS. Cumulative tardies begin anew at the beginning of a new semester.

## **ATTENDANCE POLICY**

State Policy: KRS 159.150: *Any student who has attained the age of six (6), but has not reached his/her eighteenth (18<sup>th</sup>) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) or more days, is a truant.*

- Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21<sup>st</sup>) birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without excuse on three (3) or more days, is truant. Any student who has been reported as a truant two (2) or more times is a habitual truant. Absence for less than sixty minutes shall be considered tardiness.
- Students absent from the entire school day cannot attend nor participate in any extracurricular events after school.
- Students must attend school for ½ day to attend or participate in extracurricular activities.

## **Senior Graduation Attendance Policy**

Students who have reached the threshold of graduating seniors at Fulton County High School shall meet the following requirements to participate in Graduation Exercises.

Student attendance will be required each school year.

- Beginning with the graduating Class of 2021, their freshmen year, and continuing thereafter, all students' unexcused absences for their high school career must not fall below ninety-five (95%) percent.
- Beginning with the graduating Class of 2021, their freshmen year, and continuing thereafter, students must not have more than nine (9) unexcused absences during their senior year and their unexcused absences for their high school career must not fall below ninety-five percent (95%) of their total number of instructional days before prom and/or their graduation ceremony.
- Students not meeting the above requirements will not be able to participate in graduation ceremony and prom.

- They will receive their diploma if they meet the graduation requirements, but will forfeit the opportunity to go through commencement exercises.
- Suspensions are considered unexcused absences for purposes of this policy for graduation, graduation activities, and prom.
- The purpose of this policy is to encourage student attendance which should increase knowledge, grades, punctuality, and school involvement.
- Any long term illness will be referred to homebound instruction and will not result in absences being calculated into the student's attendance average.
- Tardiness accumulates into absences based on instructional minutes lost and will count toward a student's attendance average.

#### **ABSENCES AND RETURNING TO SCHOOL**

If a student is going to be absent from school, a parent or guardian should call 236-3904, ext. 3000, to report the absence before 8:00 AM or as early in the morning as possible.

Upon returning to school (and before the first morning bell rings), students must check in at the office, present a written note from a parent/guardian and/or doctor, and receive an admit slip for classes. An unexcused or excused stamp in the student's agenda will be shown to each teacher for classes missed.

A parent/guardian is required to send a note with the student upon his/her return, even if the parent called to explain the student's absence. (Students are considered unexcused until a written note with a valid excuse and the date of the absence are on file in the school office). The note (from a parent or doctor) must be presented **within 3 days of returning to school to be considered a valid excused absence.**

**After 5 absence occurrences in a given school year, a doctor's excuse will be required.**

Absence occurrences 6 and following are unexcused unless verified by a doctor's statement (or by administrative discretion).

For absence occurrence 8 (and subsequent absences), legal action may be taken, including a possible hearing for the student and parent(s)/guardian with the judge for truancy charges. Any exceptions are at the Principal's discretion.

### **SCHOOL AGENDAS**

All students are given a school agenda at the beginning of the year. This agenda contains the school handbook, calendar, and hall pass sheet. Students must carry this agenda to class, so they can use their hall passes for restroom, going to locker, etc.

When students are absent, this agenda must be brought to the office for Mrs. Ellingburg to stamp their day missed as excused or unexcused. Students who do not bring their agendas to the office for stamping will receive a detention.

Students who lose this agenda will be asked to purchase the second one for \$10.00

### **MAKE-UP WORK**

Upon returning from an absence, students have the number of days they were absent to turn in make-up work. (For example, if a student was absent two consecutive days, the student will have two days to turn in all work missed during the absence.) It is the student's responsibility to secure his or her make-up assignments from each teacher upon returning to school.

### **GRADING POLICY**

**THE PILOT ACADEMY/DUAL CREDIT COLLEGE CLASSES**

During the 2022-2023 school year, with the help of area colleges, the Four Rivers Foundation and community sponsors, Fulton County High School students will have the opportunity to take a multitude of dual-credit courses through our program called the Pilot Academy. This is an exciting chance for us to offer our students a strong head start in a post-secondary education with the colleges in our area. It is also an effort to help ensure the success of our students as they pursue a diploma in the college of their choice through a more rigorous course schedule at a reduced expense for our families.

FCHS will provide time in the students' schedules for them to take the online courses in the library. The other dual credit courses are taught on our campus and at the Four Rivers Career Academy. The Fulton County Board of Education has agreed to pay for all the textbooks for our students. Our goal is to help ALL of our students get a "jump start" on college classes, regardless of their economic situations. These classes will be paid for juniors and seniors at F.C.H.S. **If a student fails a college course, they will be expected to reimburse F.C.H.S. for the tuition. The student will need to re-take the failed class and will be responsible for the tuition and fees.**

In determining GPA, **all dual credit classes** shall be used on a 5.0 scale.

This includes aspirin, Tylenol, nasal spray, cough drops, birth control, etc. Students cannot have any prescription or non-prescription drug in their possession at school or in their vehicle. All drugs must be stored with the school nurse. The school nurse will have a set time to be at FCHS during the school day. The only exception to this rule is personal inhalers which have been prescribed by a doctor.

### **ASSEMBLIES**

- Students are responsible for the overall impression made by the school.
- Students should be courteous and respectful at all times.
- Unacceptable conduct includes, but is not limited to, talking, whistling, unnecessary clapping, and boisterousness.

## **ELECTRONIC DEVICES**

- I-Pods, Radios, game systems, video systems and any other electronic devices are not allowed to be used during the school day. A parent or guardian must pick the device up from the Principal's office.
- **Cell phones shall be put away during the school day.** Cell phones should be turned off and put away when arriving to F.C.H.S. Cell phones cannot be used in the cafeteria nor classrooms without teacher permission. **Smart watches** will be treated like cell phones and students should not be on them during the school day. If they are on their phone or smart watch these items will be taken up and turned into the Principal or designee. ***The SIM card must remain in the phone.***

**On the first (school-wide) offense,** a parent or guardian must pick up the phone, smart watch, or electronic device from the Principal's office.

**On the third (school-wide) offense,** the students' phone, smart watch, or electronic device will be kept for five school days and then returned to the parent.

**On the fourth (school-wide) offense,** the cell phone, smart watch, or electronic device will be confiscated and kept for 10 days and then returned to the parent.

**On the fifth (school-wide) offense,** the phone, smart watch, or electronic device will be kept until the last day of school.

- Music from cell phones or iPods, etc., will not be allowed in the hallways at FCHS. **Earbuds/Airpods**

**are not allowed. They must be put away in backpacks or purses.**

- While on school premises, no device or vehicle stereo can be turned up loud enough to be heard outside of the headphones or outside of the vehicle.
- Paging devices, of any form, are not allowed in Kentucky Public Schools for any reason. The law reads as follows: “A student in a public school shall not possess a paging device while on school property or while attending a school-related activity on or off school property unless the student is in attendance in the capacity of an active member of a volunteer fire fighting organization or a voluntary emergency medical services organization.”

#### **FIELD TRIP POLICY**

- No student other than those in the specified class/club/organization can go on the field trip.
- **Students must be passing all classes in order to participate in a field trip unless the field trip is directly related to a District, State, or Program assessment or the field trip counts as part of the student’s grade.** Upon receipt of the field trip list, all teachers will notify the field trip sponsor of any student excluded due to failure of a class.
- Field trip forms must specify name of the production/activity and outline all activities that the group will be experiencing.
- Every student must have a permission form for each trip signed by a parent/guardian in order to attend. Forms must be turned in 24 hours in advance.
- Adult supervision should be spread throughout the bus and at least one certified staff member should be on each bus. Chaperones must be on the annual approved background checklist prior to the trip. There must be a minimum of one adult chaperone for every 10 students on the trip.
- The attendance clerk must receive a copy of the bus roster prior to departure.

- List of students participating in field trips must be provided to all teachers one week prior to the field trip. Any teacher may prohibit a student from participating in a field trip due to academic performance.
- All class fees/club dues must be paid in advance.
- Students must ride the bus or the school provided transportation to and from the school related event or activity. The only exceptions are if the students are accompanied during transportation by the parents or representative, i.e. coaches, sponsors, etc.
- To participate in Class trips, a student cannot have 3 or more out-of-school suspension days in that current school year. For IEP students, this rule applies if the offense is not a manifestation of their disability.

#### **BUS REGULATIONS**

- Riding a school bus is a privilege. Students can be suspended or entirely removed from riding the bus.
- Improper conduct on the buses will result in that privilege being denied.
- Students who come to school on a bus should return home on the same bus unless they have parental permission and see Mrs. Leigha Ellingburg to obtain a bus pass.
- A school bus driver/monitor represents the school authority and is responsible for the passengers on the bus.
- The driver/monitor has supervision and authority over the passengers.
- The driver/monitor must require passengers to follow certain rules of behavior.
- No food or drinks are allowed on the school buses.

#### **STUDENT DRIVING REGULATIONS**

- All students at Fulton County High School who possess a valid Kentucky driver's license may be approved to drive on campus.
- **Upon arriving at school students must immediately leave their vehicles and enter the school building through the front doors of the high school. No one is**

**allowed to enter through the side entrance of the high school.**

- **Students are not allowed to return to their vehicles at any time without permission from the principal or school secretary.**
- Parking is allowed in DESIGNATED spaces only. Students should park on the end closest to the Four Rivers Career Academy. Vehicles are not allowed on the grass.
- All vehicles should be locked during the day.
- The parking lot is considered an Off Limit Area.
- No speeding on campus.
- Fulton County High School will follow the NO Pass NO Drive laws as outlined by **KRS 159.051**.

#### **NO PASS NO DRIVE Regulation**

Fulton County High School will follow the NO Pass NO Drive laws as outlined by **KRS 159.051**.

- Only applies to 16 and 17-year-olds (any students with a driver's permit/license issued before August 1, 2007 will not be affected)
- Attendance and grades from the previous semester of the school year will be used to determine non-compliance for students.
- The law results in the revocation of a student's drivers permit or license for any three different reasons:
  1. Academic Deficiency
  2. Dropping Out of School
  3. Excessive Absences

#### **What makes a student academically non-compliant?**

1. A student with **nine or more unexcused absences in a single semester** (including absences due to out-of-school suspension) is considered non-compliant.
2. The No Pass/No Drive law defines Academic Deficiency as a "student who does not have passing grades in 66% of their courses (per semester) to be compliant with No

Pass/No Drive. Since we are on a 7-period day, **students must pass 5 of the 7 classes.**

3. **If an 18-year-old student officially leaves school (voluntarily withdraws), the school or district should immediately contact the Division of Driver Licensing (via the web portal).** This report (via web portal) should occur immediately after the student withdraws from school, not at the end of the semester.

What happens after a student is reported as noncompliant? The Transportation Cabinet will notify the student by mail “as soon as possible” that their driver’s license has been revoked (usually within 10 days).

### **ELECTED or VOTED POSITIONS/OFFICES GUIDELINES**

A student...

- Must have and maintain a 2.0 overall grade point average.
- Must be a full time student.

- Must have successfully advanced to the next grade level.
- Cannot have any criminal convictions and is subject to removal from office if a criminal conviction occurs during time in office.
- Ballots will be counted with a minimum of two (2) FCHS staff members.
- If a student leaves FCHS or is removed from office, then the office or position will be filled by the Fulton County High School SBDM Council or Principal.

### **SCHOOL DANCES**

- All school policies and guidelines apply.
- Students may not leave the dance and return.

- Proper personal appearance will be determined by the sponsoring group with the approval of the principal.
- Obtaining chaperones is the responsibility of the sponsoring group. Chaperones will be present in the gym or other dance areas at all times.
- Guests for school dances must complete an approval form from the Principal's office prior to attending the event. ALL guests are subject to the Principal's approval. If a student fails to complete a form and obtain the Principal's approval ahead of the event, the guest will not be admitted to the event.

#### **TOBACCO POLICY**

The use and/or possession of tobacco or tobacco products are prohibited, and any student who violates this rule is subject to the provisions of the Student Discipline Code. E-cigarettes and vapor items are not allowed. The rules apply to all students during school hours and at all school activities.

#### **DRUG AND ALCOHOL POLICY**

This policy will be effective while any student is on the school property or is in attendance at any school sponsored event. This includes while being transported by any school vehicle.

Offenders will be treated the same, regardless of the drug and/or alcohol, and regardless of whether it is the first offense or if the student has been in no prior trouble. All drugs and all alcohol, regardless of quantity, will be dealt with the same.

Procedure:

- a. The student will be given due process.
- b. Law officials will be called, if necessary.
- c. Parents or guardians of the student will be called.
- d. The student will be suspended immediately for ten (10) days or until a Board hearing.
- e. The incident will be reported to the Superintendent and the Board of Education. The recommendation will be expulsion for the remainder of the semester or year.

## **DISCIPLINE CODE**

The following rules and regulations are not in any way used to remove routine classroom discipline from teachers. Teachers have disciplinary measures at their disposal as needed. Teachers should make fair and equal rules to use in their classroom to supplement and enhance the rules in the code of conduct.

### **Classroom Due Process:**

1. An oral request to change the behavior.
2. Failure to comply will result in one of the following at the teacher's discretion (these are not in particular order):
  - a. A teacher meeting with the student after school or after class.
  - b. A teacher should make a contact with the parent about the behavior.
  - c. A written detention to the office or formal discipline referral.
  - d. Student sent to the office for discipline.
  - e. Request of the Principal or Designee to come to the classroom.
  - f. A phone call to the parent requesting a conference.
  - g. Any combination of the above.

If a student has received the above due process and repeats the offense during subsequent class periods, the teacher can skip step 1. Substitute teachers are to refer any student to the office that fails to comply with step 1. The Principal or their designee will administer punishment. If the Principal or designee is unavailable, the office will contact ISS to retrieve the student. The student will immediately report to ISS (or face out-of-school suspension) until the Principal or designee is available to investigate or administer discipline.

**DUE PROCESS GRID:**

Students are guaranteed due process in all cases warranting punishment for misbehavior. This guideline includes consequences—some of which are at the Principal’s discretion.

### **FIGHTING**

The penalty for being involved in a fight, defined as the use of physical force, will be:

1. First offense - 3-day suspension, and/or ISS/In-School Suspension placement at principal's discretion & parent conference. Police will be contacted AND criminal charges could be files.
2. Second offense - 5 day suspension, and/or ISS placement at principal's discretion and a pre-expulsion conference with parent/guardian. Police will be contacted AND criminal charges will be filed
3. Third offense - Student will be suspended pending Board action toward expulsion for the remainder of the semester or academic school year. Police will be contacted and criminal charges will be filed.

Additional disciplinary action may be taken if it is evident that one student acted in an overtly aggressive manner.

All punishments for fighting will be left to the discretion of the Principal.

Students who instigate fights or are heard by a faculty member to attempt to instigate a fight, but are not actively involved (that is, students who carry rumors, put others up to fighting, carrying information back and forth between other individuals who subsequently fight), submit themselves to the same penalties as those who are involved in the fight. Students not using physical force, yet engaged in verbal confrontation causing a crowd to gather in a disorderly manner, will be subject to disciplinary action.

Students who are intimidated or harassed by another student should report that to a teacher or administrator. Students who intimidate or harass another student are subject to disciplinary action.

Disciplinary action taken for fighting is cumulative for students from the time they enter ninth grade until they leave 12th grade. For example, if a student is disciplined for the first offense as a freshman and is involved in fighting again as a junior, discipline will be for the second offense. **In summary, Fighting/Harassment will not be tolerated.**

### **DETENTION**

Detention will be served on either Monday or Wednesday from 3:15 p.m. to 4:15 p.m. A student assigned detention will be given a written notice of the date to attend. It is the responsibility of the student to make proper arrangements to attend the detention. Transportation is the responsibility of the student.

- Students will bring the proper classroom assignments and materials with them to detention. The supervising teacher has the discretion of assigning work to those students who do not bring their own materials with them. If the student does not complete these assignments, he/she may be assigned an additional detention.
- Sleeping, talking, putting your head down, passing notes, etc. are not permitted. Violations of these rules will result in the assignment of additional time in detention or the student will be asked to leave detention by the supervising teacher. The teacher will notify the principal and the student will be assigned ISS.
- If a student misses detention, he/she will be assigned ISS.

This policy does not attempt to do away with suspensions as a viable alternative for discipline when appropriate. Violations such as profanity directed toward a teacher, attacking a teacher, insubordination, willful disobedience, vulgarity, abusive language, belligerence, or other acts, which disrupt the

educational process of others and imposed direct threats to the safety of others, will still necessitate suspension or expulsion.

### **ON-CAMPUS/IN-SCHOOL SUSPENSION (ISS)**

Fulton County Schools defines In-School Suspension (ISS) as a program that is self-contained in a classroom that is isolated from the rest of the school environment. It is designed as an alternative to disciplinary action including suspension. Any violation of school policy within ISS will result in possible days added to the initial assignment, suspension, or other alternative education assignments. When a student has been assigned ISS, a written notice is given to the student and parents will be notified.

The on-campus ISS program is for students who have not behaved properly and/or who are experiencing a lot of trouble academically. Students can be assigned to the on-campus ISS program for periods of time from one (1) to ten (10) days.

- Students will be assigned to ISS for one (1) to ten (10) days by the building principal. The principal will make the assignment in compliance with adopted SBDM Council policies and procedures.
- Once assigned to ISS students are responsible to the ISS teacher and Para educators.
- Once he/she arrives in the ISS classroom, he/she will be there all day. If a student leaves school for any reason (excused or unexcused), they will be required to make up another day in ISS. Students in the on-campus ISS program will receive credit for all academic work completed there.
- A student may be assigned to ISS for a period longer than ten (10) days when this extended assignment is determined to be in the best interest of the assigned students and/or other students.
- The building principal can request a conference with the district superintendent and a student's parent/guardian if there is reason to consider assigning a student to ISS for

more than ten (10) days. The superintendent will conduct a hearing and determine if a student should be placed in this program for an extended period of time.

- Students are expected to complete all assigned academic work and tasks, to follow all rules and expectations of the ISS teacher and Para-educators, and to comply with all rules and expectations the Fulton County Board of Education Students Code of Conduct.
- If a student does not complete all assigned academic work or does not comply with all rules and expectations during the assigned days, additional days can be recommended by the ISS teacher and approved by the building principal.
- **If a student is in ISS and has an athletic event that night, they will not be allowed to participate in that sporting event.**

#### **IN-SCHOOL SUSPENSION PROGRAM RULES**

- When students that are assigned to ISS arrive at school in the mornings, they will go directly to the ISS classroom. **They do not go to the gym, cafeteria, or another classroom.** Breakfast and lunch will be served in the ISS classroom.
- There will be two supervised breaks during the day. Students will be allowed to use the restroom and get a drink of water. No student will be allowed outside the designated area of the building.
- Students will not be dismissed during the day for any reason, i.e. locker, telephone, etc.
- Students will not communicate in any way to any other students in the room. Whispering, writing notes, etc.
- Students will not put their heads down and/or sleep.
- No music devices, games, magazines, newspapers, or other recreational articles will be allowed in the room, unless assigned by a teacher.
- No food, gum, or beverage will be brought into the room, except for breakfast and lunch.
- Work for ISS will be assigned by the staff. The supervisor may assign extra meaningful work to reinforce learning in subject areas. Work will begin

immediately at 8 A.M. and continue until the end of the school day.

- It is the **students' responsibility** to bring books, paper, pencils, and any other necessary classroom materials to ISS.
- Students will respect school property by not putting their feet on the walls, chairs, or any other furniture, and by not writing on school property. No type of vandalism will be tolerated.
- Students cannot have a cell phone on them. If they have a cell phone it must be turned in and held until the end of the school day. An extra day will be assigned if this policy is not followed by the student. Cell phone must be turned into ISS supervisor and will be returned to the student at the end of the day.

**Extra days in ISS may be given if students do the following:**

- Engaged in any type of vandalism toward school property
- Copying homework or cheating on a test
- Tardy/Leaving early
- Dress code violation
- Not working on and completing assignments
- Coming to ISS with food or drink
- Writing or passing notes
- Acting in a way that is disruptive to the classroom environment or disrespectful to the supervisor or other students

**Students will be sent home from ISS (resulting in out of school suspension) for the following:**

- Defiant behavior
- Inappropriate language
- Fighting
- Drugs or alcohol
- Leaving without permission

**SUSPENSION**

A student that is suspended is not allowed on campus and cannot attend any school related activities—including activities held at

other locations inside or outside the District. In the event a student has to be suspended from school for discipline problems, the following procedure will be used:

A written notice of the rule which has been violated shall be provided to the student. Parents will be notified by phone or mail. Written notification will also be sent to the superintendent's office. The student will be given an explanation of the evidence of the violation. The student will be given an opportunity to present his/her own version of the violation.

**Students who are suspended will receive a zero "0" for all missed work.**

**Special Note: Any time a student is suspended from school, a parent conference must be held before the student may return to school. This conference be in person or via telephone.**

### **EXPULSION**

The Board of Education of any school district may expel any pupil for misconduct, but such action shall not be taken until the parent/guardian, or other person having legal custody or control of the pupil, has had an opportunity to have a hearing before the school board. If an expulsion occurs, the student is not allowed on campus or at any school related activities.

**BULLYING/HAZING - STUDENTS A09.422**

In order to effectively participate in the democratic process as adults, students must learn to respect the rights of others and to interact with them in a civil manner. Such behavior is disruptive of the educational process and interferes with the ability of other students to take advantage of the educational opportunities offered.

These provisions shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others. Students who violate this policy shall be subject to appropriate disciplinary action.

**Bullying Defined**

Bullying means any unwanted verbal, physical, or social behavior among students that involves a real or perceived power imbalance and is repeated or has the potential to be repeated:

1. That occurs on school premises, on school-sponsored transportation, or at a school-sponsored event: or

2. That disrupts the education process.

## **BULLYING/HAZING - STUDENTS A09.422**
