August 9, 2022

Fulton County School District Parents and Staff,

We are happy to report that all of our facilities have been thoroughly inspected and there are no asbestos-containing materials per AHERA regulations in any of our buildings. However, Kentucky and federal law requires that we notify you annually that we maintain an asbestos management plan for our school district.

The plan is available at our Central Office and in each school building. You are welcome to inspect and copy this plan during regular business hours. If you have any questions about our asbestos program, please call Dale Jackson, Asbestos Designated Person for our district at (270) 236-3923 ext. 5004.

Sincerely,

Dale Jackson, Maintenance Technician
