Athletic Information

- 📌 We want to remind everyone that our primary goal is to keep our kids **SAFE** and to allow them to have a successful **BASKETBALL SEASON**. At this time, as much as we hate it, we cannot let everyone into the game.
- 📌 **Each middle school basketball player and cheerleader is allowed to have 3 people in attendance at the game. Each high school basketball player and cheerleader is allowed to have 4 people in attendance at the game.**
- 📌 We hope to continue to keep these numbers for our players and cheerleaders and not lower them. It is very important that we follow the guidelines. We need all in attendance to wear their masks and allow us to remain in school and provide sports for our students.
- 📌 We are very appreciative of Mr. David Thomas who is live streaming our games on Facebook under **Hickman City and Fulton County, Ky News and Events**. If you are not able to be in the gym with us, please follow his page and watch our games.
