The Kentucky Center for School Safety announces Kentucky Safe Schools Week, is set for October 18-24, 2020.

This year's theme is "HEALTHY HABITS, Shield Our Schools!" During this time of transition, developing healthy habits are necessary for student safety. The Healthy Habits Safety Pledge includes safety steps for students whether they are learning virtually or face-to-face. Incorporating healthy practices daily, such as wearing masks, washing hands, social distancing and being kind (both in person and online). These practices can become healthy habits as schools continue to strive for academic excellence and provide a safer place to learn.

Join us, as we practice healthy habits and encourage kindness in our school culture. Go to www.kysafeschools.org/sswpledge and take the pledge!

I WILL PLEDGE TO DO MY PART TO SHIELD OUR SCHOOL BY:

- I'll **mask up** and cover my face, when I'm in a public place.
- Frequently, I'll **wash my hands**, which keep them clean, that's my plan.
- I'll **keep space between others and me**, to help us stay germ-free.
- I'll **be extra kind everywhere**, virtual school and face-to-face.
- I'll **consider others** as I learn, everyone deserves their turn.

TAKE THE PLEDGE
