Athletic Information

- ⚓ We want to remind everyone that our primary goal is to keep our kids **SAFE** and to allow them to have a successful **BASKETBALL SEASON**. At this time, as much as we hate it, we cannot let everyone into the game.
- ⚓ **Each high school basketball player and cheerleader is allowed to have 2 people in attendance at the game.**
- ⚓ We must keep our gym at **15% capacity**. It is very important that we follow the guidelines. We need all in attendance to wear their masks and allow us to remain in school and provide sports for our students.
- ⚓ **STAFF MEMBERS:** Please check out the Shared Drive to help us cover Gate Workers and Concessions. 😊 It has been updated to our current games.
