## Athletic Information

- 📌 We want to remind everyone that our primary goal is to keep our kids **SAFE** and to allow them to have a successful **BASKETBALL SEASON**. At this time, as much as we hate it, we cannot let everyone into the game.
- 📌 **Each high school basketball player, cheerleader, and coach is allowed to have 2 people in attendance at the game.**
- 📌 At this time, we can only let in STAFF MEMBERS who are on a PLAYER/CHEERLEADER allotted ticket number. If a staff member is a parent/guardian OR is coming to the game in that capacity, they will get in FREE. We will not be able to allow other non-staff members in their family in for free. All non-staff family members must purchase a ticket. We must keep our gym at **15% capacity**. It is very important that we follow the guidelines. We need all in attendance to wear their masks and allow us to remain in school and provide sports for our students.
- 📌 Please also see the attached **20-21 Basketball Ticket Guidelines** that was sent out prior to the start of the Middle School Season.
- 📌 STAFF MEMBERS: Please check out the Shared Drive to help us cover Gate Workers and Concessions. 😊 It has been updated to our current games.

## Senior Portraits & Basketball Pictures

- 📌 Our Pilots are looking AWESOME! Jason Aldridge did a fantastic job on our Boys and Girls Basketball pictures and on our Senior Portraits.
- 📌 Proofs can be located and ordered from his website at <https://jasonaldridge.shootproof.com/>
- 📌 Please be on the lookout for our grade level pictures. We will also be able to order them from this website.
