-We have continued to field questions regarding minority elections and related matters. Below are a few recent questions that might help your council:

-Q: Who runs the parent and teacher elections for minority seats? A: This is the only time that the law allows for principals to run the election.

-Q: What if we are not able to fill a parent minority seat? A: The seat remains vacant and attempts should be made throughout the school year for the vacancy to be filled.

-Q: Do the additional minority seats affect quorum? A: Yes, minority seats increase the requirement for quorum. Check your bylaws for what constitutes quorum and be aware that you are now required to have more present at councils meetings.
