National Federation rules allow for the use of an inhaler in the area of a Track and Field or Cross Country meet, but only with the written permission of a physician. If an athlete is to be involved in Track and Field or Cross Country competition and must use an inhaler or have one available, this form must be completed and presented to the Referee during the pre-race meeting. This form should be duplicated as the officials have been instructed to keep this form on file in case of the need to produce the documentation at a later date.
