Parent-School Learning Compact

Successful students are a result of families and school staffs working together to make sure many opportunities are given to children. We invite you to be involved in a partnership with Fulton County High School. The partnership involves parents, teachers, and the principal working together to help each student achieve his/her best. By working together, with a clear understanding of what each of us needs to be doing, we show that we are committed to providing every chance to make the student successful.
