Bullying means any unwanted verbal, physical, or social behavior among students that involves a real or perceived power imbalance and is repeated or has the potential to be repeated:

- 1. That occurs on school premises, on school-sponsored transportation, or at a school-sponsored activity: or**
- 2. That disrupts the education process.**

This definition shall not be interpreted to prohibit civil exchange of opinions or debate or cultural practices protected under the state or federal Constitution where the opinion expressed does not otherwise materially or substantially disrupt the education process

ACTIONS NOT TOLERATED

The use of lewd, profane or vulgar language is prohibited. In addition, students shall not engage in behaviors such as hazing, bullying, menacing, taunting, intimidating, verbal or physical abuse of others, or other threatening behavior. This policy extends to any/all student language or behavior including, but not limited to, the use of electronic or online methods.

Such behavior is disruptive of the educational process and interferes with the ability of other students to take advantage of the educational opportunities offered.

These provisions shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

Students who violate this policy shall be subject to appropriate disciplinary action.

The fact that any major incident requires immediate notification of the parent(s) of a student should be understood. KRS 158.156 covers information needed for such a report. The determination of whether immediate notification is need will be made by the school principal or his/her designee.

Students should report any violation of the code of conduct to the principal/designee.
