

## Fulton County Schools All District Announcement

---

October 6, 2020

Good evening Pilots! This is Superintendent Chambers with an important message.

Our priority is the safety and health of our students during the COVID-19 pandemic. Due to 2 additional positive cases in the district, the Fulton County School district will be closed to in-person instruction again next Monday, October 12th through Friday, October 16th as a safety measure for the school. Extracurricular activities will remain suspended until further notice.

NTI instruction will be conducted this week and next week with this week's packets being due next Monday, October 12th. Students who are not quarantined may drop off this week's packets and pick up next week's packets on Monday, October 12<sup>th</sup>. An additional all call will give further instructions later in the week. Students who have Internet access will have NTI lessons online and virtual students will continue their instructions as directed by their teachers.

Lunch deliveries will be postponed until further notice. Please accept our apologies for any inconvenience caused. Thank you for understanding.

The Health Department is conducting contact tracing at this time. Be assured that if your student has been in contact with any of these individuals, you will be notified. We want to thank everyone for your trust, understanding, and compliance with all the safety measures we have in place during these unpredictable times. If you, your children, or family members feel sick, please contact your primary care physician.

We appreciate your commitment to Fulton County Schools. As always, Pilots will Prevail!
