

Fulton County Schools All District Announcement

October 26, 2020

Good afternoon Pilots! This is Superintendent Chambers with an important message. Our priority is the safety and health of our students during the Covid-19 pandemic. As of October 26th, there has been one new confirmed case of Covid-19 in the district.

The Health Department is conducting contact tracing at this time. Be assured that if your student has been in contact with the individual, you will be notified. We want to thank everyone for your trust, understanding, and compliance with all the safety measures we have in place during these volatile times. If you, your children, or family members feel sick, please contact your primary care physician. We appreciate your commitment to Fulton County Schools.

Pilots will Prevail!
Superintendent Chambers
