

Fulton County Schools All District Announcement

November 8, 2020

Dear Pilot fans and families,

There has been a significant uprise in the number of COVID-19 cases. While there haven't been very many reported cases in our school district, we must continue to follow the guidance of the local health department, Kentucky Department of Education, Kentucky High School Athletic Association and the Governor.

We, at Fulton County Schools, believe that in-person school is benefiting our students. Our students are happy to be in school and we are even more excited that they are in school. We also know how important sports and other extracurricular activities are to our students. With that being said, I am calling on the community and our fans to help us keep our school doors open and give our teams the opportunity to play a full season.

Here is how you can help:

1. Each athlete is allowed 3 tickets. You can purchase on Go Fan or with Mrs. Cheryl Williams at the middle school. While anyone can purchase a ticket on Go Fan, it does NOT mean you will be allowed in. We must abide by the 3 ticket guideline. I cannot stress enough for you to check with the athlete whether or not you can buy a ticket. We would love to have ALL fans in attendance BUT there are strict rules we must adhere to in order to keep everyone safe. This allows us NOT to go over the capacity that KHSAA has required along with our local health department.
2. MASK UP (Since we are inside the gymnasium)
3. Social distanced at the recommended 6 feet apart

Our Athletic department has worked hard to make sure everyone is safe during the games.

Pilot family, our players deserve the chance to play their entire season. Following these guidelines is the best chance we have to keep the season "rocking and rolling" and schools opened.

It's important to note, if the schools shutdown, sports will also be suspended during this time. That is why we are asking for your help!

I know you can do it because you did it seamlessly at the graduation ceremony.

Please share this information!

In the end, Pilots will Prevail!

Superintendent Chambers
