

Fulton County Schools All District Announcement

Proficiency, Positive Relationships, and Pilot Pride.

January 3, 2021

Happy New Year Pilots!

This is Interim Superintendent Chambers with a special message. In person classes will resume tomorrow January 4th Monday through Thursday with NTI days on Fridays. All students are welcome to return on Monday, including virtual students. Meanwhile, those students who chose to learn virtually may continue to do so. Our faculty and staff are ecstatic to see our students return.

Thank you for entrusting us to keep your student(s) safe while learning. At Fulton County Schools, we have great students achieving great things, but we must continue to do more to ensure our Pilots Prevail.

Look out 2021, here come the Pilots!
