

Fulton County Schools

All District Announcement

January 15, 2021

Good evening Pilots!

This is Interim Superintendent Chambers with an important message. Our priority is the safety and health of our students and staff while providing the best possible education during these unprecedented times. Presently, we have 3 positive COVID-19 cases in the district.

We believe transparency is essential to keep everyone safe. As we strive to protect our students, faculty, staff, and community, we ask that you contact the school nurse, Natasha Fields, to help us with our contact tracing effort.

Be assured that if your student has been in close contact with the individual, you will be notified. We want to thank everyone for your trust, patience, and compliance with all the safety measures we have in place during these volatile times. I am ever so grateful to serve and lead our schools through the pandemic. If you, your children, or family members feel sick, please contact your primary care physician.

Students, including all virtual students, please enjoy the three day weekend. I look forward to seeing everyone on Tuesday, January 19, 2021.

Stay safe and well, as we strive to prevail in Proficiency, Positive Relationships, and Pilot Pride.

Go, Pilots!
